### **Sheriff Greg Capers Receives Honor from the National Sheriff's Association**

On September 26, 2016, Sheriff Greg Capers achieved the designation of Certified Homeland Protection Professional (CHPP).

The CHPP program was established by the National Sheriff's Association, Global Center for Public Safety in partnership with the National Domestic Preparedness Coalition, through the Global Center for Threat, Risk, and Vulnerability. Sheriff Capers, through experience, high level of training in the area of Homeland Security, and dedication to the protection of San Jacinto County citizens, has met all of the rigorous qualifications and testing required for the program.

San Jacinto County is now part of a broader Homeland Security blanket and Sheriff Capers will be able to assist and help direct other law enforcement in the county with their protection responsibilities.
